

# HOW TO ORDER

## custom printed pouches

### Step 1

#### **Figure out what bags are you looking for?**

### 1. What is your product?

Each industry has its own conventional packing pattern. For example, block bottom bags are super popular for coffee bags and stand up pouches are widely used to pack super organic foods.

### 2. What is the bag size or dimension in width x height?

If your product is powder like, we can help to recommend suitable sizes or try with flour in related sized bags for your checking.

If your product is coffee beans, there are many mature size reference on the market and we can refer to.

If you cannot get reference from us, it is very easy to get the sizes of the printed bag in the super market after checking what types of bags and sizes your competitors are using.

And we are happy to prepare you similar samples for you to try with and check printing quality.

### 3. How many bags do you need?

With digital printing, MOQ 200 to 500 bags.  
Mostly, cost to 200 bags is very close to cost to 500 bags.

With plate printing, MOQ 5000 to 10000 bags.  
Mostly, cost to 5000 bags is very close to 10000 bags.

### 4. Recyclable plastic or Kraft paper materials?

Colorful and vivid looking, recommended to use plastic materials while natural and organic looking, recommended to go with Kraft paper materials.

### 5. Matte or glossy surface finishing?

It is same cost to us factories.

So please decide it according to your own design and product outlooking pursuit. And then we will produce per your design artwork.

## Step 2

**Design artwork  
sent to**

**info@gozeniths.com**

## 6. Why do you need to see the design before quote?

Because we need to see how many colors you apply onto the bag. Then we will be able to recommend and quote you with digital printing or plate printing.

It affects the cost and quotes.

## 7. No artwork at the moment?

No problem, a picture of an example bag will also do.

no example? no problem, just tell us how many colors you would like to apply onto your bags.

## 8. Which design formats will work?

kindly send us your design artwork in AI created OUTLINE in CMYK or PDF format.

## 9. Where to send?

To our mail box info@gozeniths.com

File too large? no worries, you can send the file via dropbox or wetransfer link and we will download.

## Step 3

**Approve proofs and  
wait to get bags.**

## 10. Quotes accepted, what's next?

When payment made, we will send your artwork to our designer

Designer will check if the files ok to use. If ok to use, we will make proofread with details for your checking.

When proofread approved, we will start the production.

After production, we will send you picture and video of the bags made.

After checking, we will ship the bags out. And update you the tracking number.

## 11. Key point to notice

IT IS VERY IMPORTANT TO MAKE SURE THE PROOFREAD IS 100% WHAT YOU WANT. we will produce fully according to the proofread.
